

MUHAMMAD ASIM

Software Engineer

📞 03076486166 @ muhammad.asim05@yahoo.com 🔗 linkedin.com/in/muhammad-asim-795979377 📍 I-8/1, Islamabad, Pakistan

SUMMARY

I am a personable and adaptable Software Engineer with a solid foundation in software development principles and proficient in web technologies, including React, TypeScript, and Next.js. I am experienced in crafting responsive web applications, launching platforms that enhance user engagement, and contributing innovative solutions that elevate user experiences

EXPERIENCE

Web Developer

StayZilla

Web Developer

- Tech Stack: Next.js, React, Tailwind CSS, shadcn/ui, Lucide React, Framer Motion, TypeScript
- Designed and developed a 3-page responsive web platform (Home, Login, Signup) for an apartment rental company
- Built the project independently from scratch, covering complete UI, routing, and state management using React and TypeScript
- Deployed the live version on Vercel, ensuring fast load times and seamless performance
- Integrated modern UI and animation libraries to deliver a smooth, visually appealing user experience

Web Developer

Personal Portfolio Website

Personal portfolio website to showcase projects

- Tech Stack: Next.js, React, Tailwind CSS, Framer Motion, TypeScript, Vercel
- Designed and developed a modern personal portfolio website to showcase projects, technical skills, and development experience
- Implemented responsive UI, smooth animations, and interactive sections to create an engaging user experience
- Built reusable components and optimized page performance using modern React and Next.js practices
- Deployed the production version on Vercel with custom domain integration for fast global access

EDUCATION

Bachelor of Science

COMSATS University Islamabad

📅 09/2023 - 10/2027 📍 Wah Cant, Taxila, Pakistan

STRENGTHS

Adaptability

Problem Solving
